## About Me

Hello!.. I'm an enthusiastic fresher, better at Web design and Programming. I have always been curious to tackle problems and explore the new things around me, and versatile to learn about new technologies. Seeking a junior role in improving and exploring my technical knowledge acquired at my institute.

Age	20
Email	keerthixxxx@gmail.com.com
Phone	807xxxxxxx
Address	2AC, Urapalayam Road ,Chennai

## Professional Skills

## Education

### Bachelor in Information Technology from Veltech Multitech Engineering College

2019 - 2023

Leverage agile frameworks to provide a robust synopsis for high level overviews. Iterative approaches to corporate strategy foster collaborative thinking to further the overall value proposition.

### HSC from ST Johns, senior & HR SEC SCHOOL

2017 - 2019

User generated content in real-time will have multiple touchpoints for offshoring. Organically grow the holistic world view of disruptive innovation via workplace diversity and empowerment.
